

2026 Wedding Menus

"If you're planning a wedding or any event, we highly recommend Great Events Catering. They exceeded all of our expectations and made our big day even more special."

- Nicole P. 2024 Bride

Congratulations!

We are so excited that you are considering us to be your wedding caterer! We understand how important food is to every event, especially a wedding, and are honored you have thought of us during this process!

Deposit and Bookings

We require a \$500 non-refundable deposit to secure our services. This is due along with a copy of a signed contract. Until both pieces are received, your event will not be a booked event with our company. We do NOT require a menu to be decided upon booking. We will request a blueprint of your menu 3 months prior, with finalization of the menu items 1 month prior.

Final Count and Payment

Final count is given 10 days prior. Final payment is 3 days prior to the event. We require you to feed your vendors and ask you to include them in your final count. We do offer a discounted vendor rate for this meal. Children ages 4-11 years old have a separate rate and can also enjoy a separate meal option. These items are listed on our menu pages.

Package Inclusions

All our wedding packages include white China and stainless-steel flatware for hors d'oeuvres and dinner service. We provide durable plasticware for dessert/cake and late-night bars. We will provide linen tablecloths for buffet tables only. We will strip these tables when we leave so if you would prefer not to have a naked table prior to the end of the event, we suggest you rent tablecloths. We will also provide linen napkins for the tables should your venue not provide them. This needs to be confirmed a month prior. All other table linens should be arranged through your venue or external vendor. We expect that they will be on the tables/in place at the time of our arrival. We do not put on tablecloths for guest tables.

Requirements

We do not provide tables and chairs. We expect that when we arrive, all tables and chairs will be laid out and put in their place. Should your venue not have a kitchen, we require a 10 X 10 catering tent to be provided for us that has access to water and electricity nearby. This tent should have roll-down sides in case of inclement weather. Should you not have access to water at your venue, it is required that you purchase gallons of water that can be used for guest consumption and food preparation. We can help guide you on how much to buy. We also do NOT take trash with us as we leave. Please be sure your venue has a dumpster or location where trash can be bagged up and placed. Should we have to take trash off premises with us, there is a \$200 trash disposal fee.

Tasting Information

We are happy to accommodate a tasting for your upcoming event. We have several tasting events throughout the year that provide a complimentary opportunity to try our food. Should you want a private tasting prior to booking, a \$75 private tasting fee would apply. If you would like a private tasting once you have booked our services, we are happy to arrange one complimentary within the availability of our director and yourselves.
